About Us

T3 Imports is a leading import company in the fishing, camping and agro-veterinary sectors, dedicated to providing quality and exclusive products.

With over 40 years in the market, our company has grown to become a prominent force in the import industry.

We leverage our import capacity and variety of exclusive products to meet the growing demands of the Brazilian market.

Our Brands

At T3 Imports, we have divided our product line into sectors to best serve each sector.

This division allows us to cover the entire Brazilian territory with quality and speed.

Here are our hallmarks for each sector:

Agro-veterinary

Fishing

Camping

Structure, Logistics, Demand and Growth Partnership

We have the structure and logistics to serve customers throughout Brazil. Logistics structured across 8 million square kilometers.

Our brands have access to a constantly growing market, with potential for exponential expansion. Brazil has a population of over 215 million inhabitants, with a growing demand for imported products.

Build solid partnerships and increase your revenue by taking advantage of the opportunities in the Brazilian market with us.

Conclusion

T3 Imports serves a diverse audience of wholesalers, retailers, e-commerce companies and importers.

We focus on the public that seeks quality products, with a focus on efficiency, innovation and safety. We serve a variety of sectors, from distributors to consumers.

We invite you to connect with us to learn about the growing Brazilian market and how we can create a lasting partnership.
